

Kulak Equestrian

JANUARY 2013

VOLUME 1 ♦ ISSUE 1

Kulak Equestrian is off to a phenomenal start this year with an incredible group of horses, staff, owners, and sponsors. However, we would like to take the time to dedicate *Kulak Equestrian's* first Newsletter in memory of the loss a very special member of our team, Lora Schultz. Marcia has served as the private trainer for Michael and Lora Schultz for the past 22 years, and Mrs. Schultz recently lost her courageous battle with cancer. Her loss leaves a huge void in our daily activities at the farm. A memorial was held on January 15th in celebration of her life. Her obituaries can be found in the *Chronicle of the Horse* as well as *The New York Times*. Please take the time to read them and pay tribute to an amazing woman who touched and inspired so many fellow equestrians.

NEWS HIGHLIGHTS

- Congratulations to Marcia on being named to the *Selection Committee* for the US Eventing Team
- Listen to Marcia on the *Eventing Radio Show*
- We have sadly neglected to mention newest super groom team members Amy Spink from Mt. Vernon, Washington, and Sarah Dewey from Toronto, Canada. Amy has been on board since September, and Sarah since December. They do an incredible job keeping the horses looking their Sunday best and the barn immaculate.
- We also welcome new team member Melissa Krevitz. Melissa was a long time client of Sue Blinks in California and has now joined us in Florida with her lovely 5 year old Hanoverian mare. Havana is beautifully bred with a lovely temperament. We are excited about their future!
- *Kulak Equestrian* thanks *Triple Crown Nutrition* for their support of the *Pro Junior Young Rider Scholarship Program*
- Congratulations to *Alltech* for becoming Marcia's newest sponsor
